

# Company profile

**You** are special – **We** know that

We provide you with **interpreting and translation services on the highest level.**

Quality is of highest priority for us:

- as the **first and still the only company in Austria we are certified for interpreting services** acc. to Austrian standard **D1202**
- we are **certified for translation services** acc. to international standard **ISO 17100**
- we are **partner** of **Austria Center Vienna**, Austria's biggest conference center

**Your personal and competent**  
partner from the beginning

**Mag. Michaela Leithner, MA:**  
**academically trained** at several European universities and **qualified professional interpreter and translator**

- accompanies you before and during the conference on site
- first contact person concerning questions on interpreting and translating
- more than 15 years of experience as active interpreter and translator, as well as organiser of teams

**Size** doesn't matter – not to us

**Meetings, trainings, seminars, congresses or conferences**, we are there for you no matter how many people you host – in **Austria, Europe or even all over the globe.**

Depending on the occasion or event we advise you on and provide you with the right method of interpreting including any necessary technical equipment :

- simultaneous
- consecutive
- relay
- whispering
- liaison

**Your words** are important to **us**

No matter if it is a **website**, an **information brochure** or a **manual**, we translate any text into **any language** that you need. Depending on the text type we select the **right** and **subject-competent** translator for **you**.

We provide you with all-in-one:

- **written translations** of websites, product descriptions, information and direction for use, etc.
- **translation of an oral into a written text** in another language
- **transcriptions**
- professional **layout**
- desktop publishing (**DTP**)
- **foreign language typesetting**

## Summary: Your Benefits
